Dear Parents/Carers,

Year 3 Stone Age Workshop – Monday, 23rd November 2026

We are excited to offer an immersive workshop that brings the Stone Age, Iron Age, and Ice Age to life through hands on learning and interactive experiences. As part of our history topic, pupils will explore real fossils, bones and artifacts while engaging in activities that spark curiosity and imagination. Highlights include excavating replica fossils, learning ancient survival and fire-making skills, encountering Ice Age animals and crafting cave art and prehistoric jewellery. Aligned with the national curriculum, this workshop offers a fun and memorable way for children to connect with history—while unleashing their inner archaeologist!

The workshop will take place during the school day and will be held on site, so children should arrive at school at the usual time of 8:35am.

Children do not need to dress up for the day, they should wear their full Lordship uniform.

Whilst the PTA will be financing half of the cost, we would like to ask for a donation of **£5.40** per child. Pupils in receipt of income related free school meals will be fully funded.

While this is a voluntary contribution, without these contributions from parents' future events may not be able to take place. We hope you will agree this is excellent value for money and will provide the children with a memorable experience. **Donations can be made via Arbor under trips.**

As with all educational activities, this workshop is dependent on voluntary contributions from parents. These enriching experiences are a valued part of our curriculum, and we greatly appreciate your support in making them possible. We always strive to keep costs as low as possible. If you require financial assistance to help cover the cost, please speak to Mrs Petitt in confidence.

We kindly request that payment via Arbor is received by Friday, 16th October.

We're really looking forward to a fascinating day of learning and exploration, and we thank you in advance for your continued support.

Yours sincerely,
Mrs Tomsett and Miss Casey
